

## FREIGHT PROBLEMS WERE DISCUSSED

Railroad Official Answers  
Questions at Board of  
Trade Luncheon.

## PLAZA TO BE CLEARED

Parking and freight problems were taken up Monday by the Narberth Board of Trade in a luncheon meeting which extended well into the afternoon.

R. P. Russell, Pennsylvania Railroad official, with two other Pennsy men interested in freight movements, were guests at the meeting, prepared to discuss a subject much on the minds of the business men—Narberth's freight facilities.

The situation has arisen since the abolishment of the local freight office, with delivery transferred to Wynnewood and Ardmore. When the change was given the Board of Trade's O. K., the business men claim, the railroad promises to provide facilities at Wynnewood.

Complaints have been received, however, that trips must be made to Ardmore, instead of Wynnewood, to collect the incoming matter and to make shipments. This has brought forth criticism in several recent meetings of the Board of Trade.

Mr. Russell, questioned about the matter, stated that the freight user could choose either station for the receipt of his goods by notifying the agent at Ardmore. It developed in the course of the questioning, however, that there is no freight agent at Wynnewood, and that packages would be left unlocked in a shed at the station.

The removal of the station from Narberth, Mr. Russell claimed, was caused by the fact that business was too small in the less-than-carload class of shipments, to warrant the expense of the station. A number of other stations on the Main Line were also discontinued, he said.

The ever-recurrent question, "When is Narberth going to get a new station?" was answered by the equally recurrent question mark. Mr. Russell admitted that, despite the enormous "deadhead" traffic, Narberth station had the largest ticket sale west of Philadelphia.

Parking, a topic brought to the fore by the recent police tag crusade, was laid aside until a plan could be worked out. The Pennsy is clearing up the plaza on the south side formed by the removal of the freight tracks, and when this is completed, a large parking space will be provided for train users now leaving their cars in the business section.

This additional space, it is hoped, will relieve some of the congestion on Haverford avenue. The merchants were also urged to keep their own cars away from Haverford avenue as much as possible, so as to make parking easier for customers.

## TALK WELL RECEIVED

James Heberling, Psychologist at  
U. of P., Speaks at Narberth School.

Those who attended the lecture of James Heberling on the afternoon of Thursday, May 24, at the Narberth school had one of the greatest treats of the school year.

Mr. Heberling, who is a specialist in child psychology at the University of Pennsylvania, has a keen sense of humor, coupled with rare good sense and great understanding of children and young people. His talk, "Thinking With the Child," was very worthy and helpful.

The study group of the Mothers' Council feels a real pride in having been able to present such an interesting speaker, and it is happy to announce that Mr. Heberling has been secured for further talks to be given next winter on dates to be announced later.

## ATTEND C. E. MEET

Many Christian Endeavorers from Lower Merion church societies attended the annual convention of the Montgomery County Christian Endeavor Union held last week in Ambler.

## TO HOLD BERRY FESTIVAL

A strawberry festival will be held on the lawn of the Lutheran Church on June 7th from 6.30 to 9 P. M. under the auspices of the Senior Luther League.

## Memorial Day Is Celebrated in Appropriate Fashion by Borough

Narberth celebrated Memorial Day Wednesday with a parade, speeches and the laying of the cornerstone of the rebuilt Borough Hall. Baseball filled in the remainder of the day.

Conspicuous in the parade were the members of the Bristol American Legion drum and bugle corps, resplendent in red and blue uniforms with shiny steel hats. The parade got under way immediately after the ceremonies at the Fire House.

Heading the procession were automobiles carrying Civil War veterans and gold star mothers. The Bristol drum and bugle corps, together with the Bristol Cadet drum and bugle corps made an exceptionally smart appearance. Among the organizations in line were the American Legion Council as a body, Narberth and Merion Boy Scouts, Girl Scouts, Legion Auxiliary in brilliant red capes, and large delegations of school children from St. Margaret's school and the Narberth public school.

The route of the marchers was Essex avenue to Price, Price to Narberth, Narberth to Chestnut, Chestnut to Wynnewood, and thence to the Community Building.

The events of the day were officially started at 1.30 at the Fire House when Edwin P. Dold introduced Tristan B. DuMarais, president of the Narberth Fire Company, who laid the cornerstone.

Mr. DuMarais, who has been identified with the company since its beginning, recalled the outstanding events in the history of Narberth's fire protection, and contrasted the early days and the humble beginning of the company with its present size. This he paralleled with the proportionate growth of the borough.

In the course of his talk, the speaker brought in the names of many of the men who have worked with the company. He told of the building of the original firehouse, giving incidents of interest

## LOWER MERION TAX BILLS OUT SOON

Are Available at Township  
Building, Treasurer's Office,  
Now.

## BOROUGH BILLS LATER

Residents of the Lower Merion assessment districts, bordering the borough of Narberth, who may wish to pay tax bills before going away on summer vacations can now secure these at the office of Township Treasurer Peter C. Hess in Ardmore. Regular bills as usual will be mailed to all property owners and other taxpayers this summer, but those who wish to pay earlier can get their bills sooner by making a trip to the township building on East Lancaster pike.

Bills for Narberth Borough will not be mailed out by Tax Collector Edwin P. Dold until later in the summer.

Treasurer Hess believes he can have his first batch of bills, those for real estate, in the mails within 30 days, and spent half of the Wednesday holiday in his office making plans for accomplishment of this. If he succeeds, these slips will be mailed 15 days earlier than last year, when they got out on July 15.

As soon as the property bills are out of the way the work will begin on the occupational tax and school per capita or "personal" tax bills. These will be ready for mailing 30 days after the property bills go out.

It is estimated that a total of 37,000 tax slips, which is an increase of about 5000 over last year, will be made out this year. A big part of the increase is caused by the sub-division of large tracts of land into smaller pieces—and the sale of these.

Lower Merion is divided into five districts for assessing and collection of taxes. There are (1) the Bryn Mawr-Haverford-Rosemont district; (2) the Ardmore district, which includes North, South and West Ardmore as well as Wynnewood; (3) the Bala-Cynwyd-Merion district; (4) Pencoyd district and (5) Gladwyne district.

Notices that duplicate books for these districts are now on hand and that taxes are payable will be posted shortly by Treasurer Hess in the post offices and other places in the township. The township code requires that notices to this effect be posted in at least 10 public places in the township.

While the taxes are due now, taxpayers need not pay them until September and October. The penalty dates are September 15 for township and county taxes and October 1 for the school taxes.

## ARE NORMAL GRADS

Several Main Line girls were among the 422 who were graduated from the State Teachers' College at West Chester Tuesday. They include the Misses Evelyn R. Fudge, Alice L. McLaine and Mary E. Wallace, of Bryn Mawr; Marne E. Maston and Margaret E. Percy, Narberth, and Magdalene Tuttle, Cynwyd.

## NEED PEACE TALK, VETERAN DECLARES

War Never Settles Anything,  
Borough Burgess Tells  
Rotary.

## URGES PREPAREDNESS

World peace was given as the message of Memorial Day by Henry A. Frye, speaking at the Bala-Cynwyd-Narberth Rotary Club Tuesday. Mr. Frye, an attorney in the office of former Senator Fletcher W. Stites, is burgess of Narberth.

"There is a feeling at times that peace talk is unpatriotic," said Mr. Frye. "It is true that the man who will not defend his own home, or the nation that will not defend itself against aggression is cowardly, but we can have a respectable peace."

There are several schools of thought, represented by militarists, jingoists and preparedness advocates, said the speaker. Of these, the militarists believe that peace is dependent upon the possession of armed forces larger than those of any other nation.

The jingoists are constantly urging aggression, hunting trouble and advocating strong measures instead of conciliation. The school of preparedness, Mr. Frye said, believes in the Citizens' Military Training Camps, in the naval reserve and in education for immediate defense. The speaker, an ex-service man, sees no harm to world peace in this idea.

Praise for Secretary of State Kellogg's recent peace pact notes to foreign powers was emphasized. Only France and Italy have hedged on the proposal to outlaw war as a means to settle disputes.

"War never settles anything," said the speaker. "It leaves a desire for revenge with the loser, and the victor pays too great a price. Another war is unthinkable—it would mean annihilation in view of the advances in death-dealing inventions. Probably it would result in the destruction of civilization."

## PLAN PRIZE NIGHTS

Awards to Be Made by Merchants at  
Narberth Theater.

The Narberth Theater has announced a series of eight special prize nights, beginning June 13 and ending July 6. The prizes will be awarded each Wednesday and Friday night during this period.

Winners will be chosen from among holders of coupons to be given out during the campaign by Narberth merchants as premiums with purchases. Only ticket holders actually at the theater when the awards are made will be eligible.

Merchants will furnish the gifts, the nature of which will be announced next week. In addition, the theater management will issue tickets with each admission. The plan is one designed to offer special rewards to those who do their shopping at home.

## SENIORS SET FOR WASHINGTON TRIP

Will Leave Ardmore Monday.  
School Term Events Near  
Their End.

## OVER FIFTY WILL GO

Schooldays in Lower Merion draw rapidly to a close as the morning of Friday, June 15, looms with its cessation of activity until September 10. In the meantime many events are planned for the last few days of the school year.

Over 50 members of the high school Senior class will entrain at Ardmore early Monday morning for a three-day trip to Washington, whence they will return Wednesday night. Rudolph Lawser, Ardmore, will represent the Pennsylvania Railroad on the expedition; Mr. and Mrs. Paul Keever, of Brookline, will be chaperones; Douglas Fleming, Senior class treasurer, will handle all financial matters, and three teachers will accompany the class as advisers.

On Sunday the graduating class will hear its annual sermon. Tuesday night has been set as parents' night at the Senior High School. The commencement exercises, when some 131 Seniors will receive their diplomas, will take place Friday night, and on the following night the graduates will feature in an Alumni night program. The grammar school's annual entertainment will take place Monday, June 11, and the year's activities will close with the Junior High parents' night, June 12.

Yesterday afternoon the boys from the Hi-Y Clubs of Radnor, Lower Merion, Upper Darby and Haverford held their annual conference at the Senior High School in Ardmore. Following speech-making, whose aim was the promotion of good fellowship among the student bodies of the four schools, the boys took part in two short baseball games. They were entertained at dinner by the school's Domestic Science Department and then resumed their conference in the evening.

## Rush Chapter Elects

Dr. Benjamin Rush Chapter, Daughters of the American Revolution, re-elected its officers at its annual meeting held Saturday at Whitehall, Haverford, and five delegates were chosen to represent the chapter at the State conference to be held in Allentown in October.

Officers re-elected for the new year are Mrs. Charles M. Irwin, regent; Mrs. Hugh Martin, vice president; Mrs. J. R. Aiken, recording secretary; Mrs. Joseph H. Miller, corresponding secretary, and Mrs. Frank H. Dewitt, treasurer.

Delegates to the State conference will be Mrs. Harry M. Chalfont, Mrs. J. R. Aiken, Mrs. Benjamin Freeman, Mrs. Frank H. Hewitt and Mrs. B. Earle Achenbach. Reports of the thirty-seventh annual Congress were given by the alternates who attended it, Mrs. J. E. Bailly and Mrs. H. G. Venemann.

Luncheon was served at 1.30 P. M., followed by a program in which a sketch of the life of Dr. Benjamin Rush was read. Miss Edna Worrell, regent of Flag House Chapter, dressed in a Colonial costume, impersonated her ancestor, Betsy Ross, using in her sketch true incidents as related by her grandmother, who when a young girl knew the flag's creator.

A brief review of the work of the chapter for the past year was given by Mrs. Charles M. Irwin, regent, who thanked the members for their loyalty and co-operation. The chapter was then declared adjourned to meet the second Saturday in October.

## PENN. A. C. TODAY

This afternoon on the playground the Narberth baseball team will face a most formidable rival in the nine of the Penn. A. C. Numbered among its players are many ex-college stars including former stars of the Narberth team, J. H. Jeffries, Jr., Townsend and Durbin. Al Kruez, former all-American football star at Penn., is also scheduled to appear in their lineup. With Narberth hitting its stride as evidenced by victories in two of the last three starts, a close game is anticipated.

## PRICE SETS RECORD

New York has its Park Avenue and its Riverside Drive, but Lower Merion has a residential property valued higher than any other of its type in the world—if the report of a Haverford sale listed in a Philadelphia paper this week be true.

The house, which is a large one of stone, half-timbered in the early English style of architecture, with a three-car garage, is located on one acre of ground, on the west side of Quarry lane east of Rose lane, Haverford. It has been sold by Charles J. Hood & Co. for Durham & Irvine, to an undisclosed purchaser.

And the price paid was \$80,000,000, according to the daily's account. Perhaps the linotype operator was thinking of a pawnbroker's sign, and added three cyphers subconsciously; or maybe the proof-reader had been reading about the recent increase in realty assessments of the wealthiest township in Pennsylvania.

## UTILITY COMPANIES FORM AGREEMENT

Main Line Subsidiary Will  
Unite Operations with  
Others.

## NO FINANCIAL CHANGE

Under an agreement entered into Monday by the officers of the Philadelphia Electric Company, the Delaware County Electric Company and the Philadelphia Suburban-Counties Gas & Electric Company, which serves the Main Line, operations of the three properties will be consolidated. The plan becomes operative June 1. A population of more than 3,000,000 will be served in the Philadelphia metropolitan area by the combined operations.

At a meeting of the Board of Directors of the Philadelphia Suburban-Counties Gas & Electric Company, held Monday, Arthur W. Thompson resigned as president and was elected chairman of the Board. William H. Taylor was elected president to fill the vacancy caused by the resignation of Mr. Thompson.

"This co-ordinating of operations does not mean a consolidation of the corporate structures of the three companies," said Mr. Taylor in a statement outlining the plans

## OPENS LAW OFFICE

D. J. McTighe to Commence Practice  
of Law Here.

An office for the general practice of law will be opened by Desmond J. McTighe, Esquire, on the second floor of the Caldwell Building, 205 Haverford avenue, Narberth, on June 2.

Mr. McTighe, who is unmarried and lives with his parents at 416 Essex avenue, was born in Havana, Cuba. He came to this country at the age of six and at that time spoke only Spanish. He received his elementary education in the public schools of Pittsburgh and was graduated with honor from Schenley High School in Pittsburgh in 1920, and from the School of Business Administration of the University of Pittsburgh in 1923, where he was elected to Beta Gamma Sigma fraternity and awarded a scholarship key for scholastic attainment; and from the Law School of the University of Pennsylvania in 1925. Since passing the State Board of Law Examinations in August, 1925, he has been engaged in the general practice of law in Philadelphia with offices at 607 Crozer Building.

He has been actively interested in the Narberth Tennis Club for the past five years, having served during that period on various committees, and also as secretary in 1927. He is best known in the Tennis Club for the series of humorous poems which he wrote about the various members under the title of "Double Faults."

He is secretary and treasurer of the Pitt Club of Philadelphia and is also a member of the Penn Athletic Club, Delta Theta Phi Law Fraternity and James Wilson Law Club.

## AUXILIARY TO GATHER

## CHOOSE TRUSTEES

R. S. Dunne and Mrs. E. H. Cockrill  
Elected to Library oBard.

Two new trustees were elected by the Narberth Library Association at a special meeting held recently. They are Mrs. Edgar H. Cockrill, of 215 Hampden avenue, and Ralph S. Dunne, of 9 Shirley road.

The two new trustees will serve until the annual meeting in October. They replace on the board Mr. and Mrs. Edward A. Muschamp, who recently resigned. Both of the new trustees have been identified with the local library work for a considerable period of time.

According to the library by-laws, the School Board as well as Council, is entitled to a representative on the Board of Trustees though the latter only is represented at present Clarence Kaerber being its representative. The other Trustees are Mrs. Anna MacKeag, president; Mrs. E. C. Drew, secretary; Mrs. Clifford Bates, treasurer; Mrs. R. F. Wood, T. C. Trotter, Jr., Robert E. Keighton and Mrs. Harry A. Jacobs.

for operating the properties. "It is a logical procedure for the expansion of service and is a further development of the program outlined by Mr. Arthur W. Thompson when the United Gas Improvement Company acquired the Philadelphia Electric Company.

"An immediate advantage to customers of the companies will apply to the payment of bills. Arrangements have been made whereby customers of any of the companies can pay their bills at any office of the Philadelphia Electric Company, the Delaware County Electric Company or the Philadelphia Suburban Counties Gas & Electric Company.

"The Philadelphia Electric Company and its subsidiary, the Delaware County Electric Company, furnish electric service in all of Philadelphia and portions of Montgomery and Delaware counties.

"Territory adjoining Philadelphia embracing about 1400 square miles in Delaware, Chester, Montgomery and Bucks counties is being served by the Philadelphia Suburban Counties Gas & Electric Company.

"In order to put the new plan into effect, the new territory has been divided into five major divisions, as follows: Philadelphia and its various district offices; Delaware Division—headquarters at Chester; Main Line Division—headquarters at Ardmore; Schuylkill Division—headquarters at Norristown, and Eastern Division—headquarters at Jenkintown. This will provide our customers and the public with the opportunity for the closest possible contact with the company organizations."

## Sale Was Successful

The Little Garden Day Sale, held May 18 for the benefit of the Social Service Department of the Main Line Federation of Churches, was the most successful ever had. The following are a list of the booths and the amounts they took in:

Narberth, \$64.50; Gladwyn, \$117.45; Llanerch, \$25.03; Ardmore, \$281.55; Rosemont, \$376.43; Bryn Mawr, \$253.70; Lunch and Tea, \$98.25; children's entertainments, \$40.60; from other sources so far, \$282.52.

The total amount cleared after expenses have been paid will be \$1633.41.

## LIBRARY INSTALLS TELEPHONE

Is Added Convenience for Community Building—Number Is Narberth 2498.

A coin box telephone has been installed in the Narberth Library. The need of a telephone instrument there has been apparent for some time, and with the increasing use of the other rooms of the same building by the public, Fire Chief Noel had been heard to remark that he would feel a little better about it if there were easy means of calling the fire department in case of need.

The library recognized the demand and desired to meet it, but could not afford to divert the money necessary for a rental instrument from the purchase of books and the maintenance of strictly library service. This problem was solved when a friend of the library, who is also a member of the telephone organization, stated that he thought the Telephone Company would be willing to install a coin box instrument free of charge, because of the revenue which would be likely to result in such a public building. He proved to be correct, and the Telephone Company promptly installed the instrument.

This means that the library and the

community building can be reached from the outside by calling Narberth 2498; but that all calls originating there will have to be paid in advance. As the telephone instrument is in the library room, it would not usually be possibly to put through outside calls, except when the library is open, which is every afternoon, except Saturday and Sunday, from 3 to 5 o'clock; on Tuesday and Thursday mornings, from 10 to 12, and on Friday nights, from 7 to 9 o'clock.

### Letters to Editor

#### PROUD OF CHILDREN

To the Editor of Our Town:  
I would prefer some one else to say it, but it would not be fair if it were left unsaid:

St. Margaret's children proved themselves a real credit to their school and to those who maintain it, as they marched along in the Memorial Day parade. They made it plain that the time and money spent on them are not wasted and we are all proud of their splendid and impressive showing.

This is no occasion to exploit the value of religious education, but neither should we overlook the patriotic obligation of being keenly alert for the minds and manners of our American youth, and we write this to convey that we are well pleased with what Father Hayes and the Sisters of Mercy are doing for the Catholic children of Narberth.

J. J. CABREY.

May 31, 1928.

#### SIGNS TOO BIG

To the Editor of Our Town:

Sometime ago an article in "Our Town" commented on the many large signs on properties, through the borough.

This week big signs were erected on corners of streets, not open to other streets and on Montgomery pike. This may be a help to motorists, but the writer, as well as every one else, wonders why signs must be so big, let alone use the words "Dead End Street."

Surely a smaller sign with "No Outlet" would be a decided improvement.

Why not pattern them after the sign on Essex avenue and Barry road? Such a sign looks more artistic and no one would object to having it on their corner.

It would be well for our "Boro Dads" to take a look at this small, neat sign and remove the unsightly ones they have placed around town. There is no need for signs as big as you can see and read two blocks away, such as at a railroad crossing.

RESIDENT.

#### AT THE THEATER

Introducing on the screen the best known book of a famous authoress "Freckles," by Gene Stratton-Porter, will open at the Narberth Theater on Monday and Tuesday.

"Freckles" deals with the simple and charming love affair between an orphan boy and a wealthy girl who meet through their mutual love of the great outdoors and the mysteries it presents.

Laid in the Limberlost Forest, made famous by Mrs. Porter, the thrilling story is presented against a background of woodland dells and giant trees which will appeal to every true lover of nature.

Helene Costello, sister of Dolores, is featured in "Good Time Charley," the Warner Brothers production, which comes to the Narberth Theater next Wednesday.

There is a haunting beauty about the character of happy-go-lucky, well-meaning, erring, old Charley as played by Warner Oland and his changing fortunes are followed with breathless interest. Never has life beyond the footlights been more realistically depicted.

"Hangman's House," John Ford's new Fox Films production, based on Donn Byrne's great novel of Irish life, will open a two days' run at the Narberth Theater next Thursday.

"Hangman's House," according to studio executives and review critics, is one of the finest things Ford has done for the silver screen. It is typically Irish, with fast horses and beautiful women, and it is said the action outlivs even the dramatic intensity of this director's earlier efforts.

Byrne, in writing "Hangman's House," went on record with the statement that he wanted it to reflect the true spirit of Erin. Ford, after spending many weeks in Ireland, came back to Hollywood reeking with folk-lore and eager to transmit his feelings into celluloid.

Elinor Fair, who played the featured feminine role in "The Volga Boatman," "The Yankee Clipper" and other De-Mille picture successes, is featured opposite Franklin Pangborn in "My Friend From India," a riotous farce comedy coming to the Narberth Theater on Saturday next.

Miss Fair, when a girl, appeared in William Farnum's "The End of the Trail." After this she returned to school. Upon the completion of her education, she received a contract from Goldwyn.

### about the Garden

#### Shade Trees Good and Bad.

All trees that serve as shade trees—be they shade trees, flowering trees, fruit trees or nut trees—are good trees but some are much better than others.

The use and abuse of shade trees has brought about acts of legislation which places the planting and care of shade trees in the hands of Shade Tree Commissions, such commissions prune existing plantings, spray when necessary and regulate new plantings on the public highway by recommending the planting of suitable trees that will be of permanent benefit to the community.

Were it not for Shade Tree Commission regulations many builders, developers or property owners would plant trees for quick effect and would choose varieties that would be short lived and would become a nuisance rather than a permanent benefit.

To quote a paragraph from the Department of Internal Affairs, Bureau of Municipalities, of the State of Pennsylvania: "Certain trees, such as silver and ash-leaved maples, the poplars, willows and Tree of Heaven may be beautiful for a time and are valuable for quick effects, but they are so short-lived and so brittle as to condemn them for use as street trees. The roots of willows and poplars, in addition, tend to clog sewers and to break sidewalks."

We should remember that trees should be planted for the next generation as well as for the first few years of this one. There are plenty of existing native trees that are not desirable as street trees but we can provide for the future as well as the present by planting the proper trees in the proper places.

### TRACK TEAM WINS ONE-SIDED BATTLE

Downs Cheltenham, 68-28.  
Tie for Fourth in State Meet.

Bob Corrigan, captain of Lower Merion High School's track team, led his men to a one-sided victory over Cheltenham High Tuesday afternoon, 68 to 28. Each of the 10 first places was won by an athlete carrying the colors of the Maroon and White.

Corrigan, Gerenbeck and Lloyd each won two firsts. In the high jump Corrigan created a new State record, when he cleared the bar at a height of six feet and 3/4 of an inch. He also won the broad jump with a leap of 21 feet four inches.

Following the wake of his captain, Gerenbeck won both the 100 and 220-yard dashes. Parker Lloyd, not to be outdone by his teammates, won the quarter and the mile events. All in all it was a gala day for Lower Merion athletes.

Saturday the four athletes from Lower Merion who had qualified for the State meet, journeyed to Lewisburg to compete against the pick of the other high school's teams in the State. The meet was won by Lock Haven High School with a total of 22 points. William Penn High School, from Harrisburg, was second, scoring 18 points. South Brownburg High School, of Pittsburgh, was third, and Lower Merion tied with Youngsville High with 13 1/2 points for fourth place.

Corrigan made 7 1/2 of his team's points, tying for third place in the high jump and winning the broad jump. In the high jump Bob cleared five feet 10 inches, while his winning leap in the broad jump was 22 feet 4 1/2 inches.

Sherman Coleman gave a surprise when he captured second place in the 220-yard low hurdles. In this race Larue, of Abington High, created a new record of 24.3 for this event. Siegel and Lloyd, other Lower Merion athletes, also figured in the scoring, each adding a point to his team's score. Siegel got fifth in the javelin while Lloyd was also fifth in his event, the quarter mile.

#### Many Visit Tennis Club Wednesday.

Memorial Day, an open day at the Narberth Tennis Club, proved to be a popular one, as the courts were kept busy all the day by members and visitors. Dinner served at the club in the evening was very well attended and "an enjoyable time" was everyone's verdict.

The day was also marked by the re-christening of two of the lower courts which have been regraded and are now in splendid shape.

The committee in charge announces that the regular Saturday night dinners at the club will commence on Saturday, June 9, instead of this week as was previously announced.

Commander F. T. Van Auker, U. S. N., arrived in Narberth from San Diego, Calif., Saturday after an extended cruise. He acted as chief engineer on the airplane carrier Saratoga, which made its trip to San Diego via the Panama Canal for West coast service. He returned to Narberth by rail.

Miss Ethel E. Shaw, instructor of English in Bloomsburg (Pa.) Normal School, is the guest of her brother, Commander C. H. Shaw, U. S. N., of Avon road.

Among those present at the annual Garden Party given by the Mt. Holyoke Club of Philadelphia for prospective students on May 26 at the Stevens School, Germantown, were Mrs. C. H. Shaw, Mrs. F. T. Van Auker. The prospective students included the Misses Rosalie Shaw, Katherine Smith and Anne Van Auker.

Mrs. Arthur Goldsmith, of Montgomery avenue and Mill road, entertained the 12 members of her board at a farewell luncheon on Thursday the thirty-first. She is retiring president of the Women's Club of the Society for Ethical Culture—has been its president for three years, and is now first vice president. The decorations were a large ship full of flowers and dolls dressed of the different nations. It was also in the nature of a send-off to three of the board who are leaving for Europe this month.

Mildred Johnson, aviatrix, has been making a visit of a few days at the home of Mr. and Mrs. Frank D. Petersen, of 603 Essex avenue.

Miss Anne C. Compton, of Woodbine avenue, is entertaining this weekend at a houseparty at her parents' summer cottage in Beach Haven, N. J., in honor of her guest, Miss Virginia Custer Cooke, of New Philadelphia, Ohio, and a student at Sweet Briar College, in Virginia. in the course of its growth.

In the cornerstone went a metal box, containing a history of the Fire Company up to the present day, and a copy of Our Town dated May 26, 1928. After Mr. DuMarais placed these in the box, the stone, bearing the dates "1898 and 1928" was lifted in position.

Commander Robert C. Collins of the local American Legion post was in charge of the brief patriotic services at the Community Building following the parade. The speaker was Lieutenant Frank Schoble, of Philadelphia, blinded in service, and a much-sought public speaker.

Lieutenant Schoble made a plea for a patriotism which recognizes the work of the soldiers who fought in the World War. He asked his hearers to pledge themselves to the veterans to aid in carrying on American Ideals.

Rev. Robert E. Keighton, chaplain of the post, delivered the invocation.

The document reposing in the cornerstone of the Fire House follows:

The Narberth Fire Company was organized in 1897.

The charter was issued in October, 1897.

Life Members—S. J. Baker, T. B. Belfield, H. S. Atwood, J. Mullineaux, Jr., A. H. Mueller, Charles E. Kreamer.

Charter Members—E. A. M. L'Etang, R. H. Wallace, C. A. McClellan, A. H. Faber, Charles E. Kreamer, J. M. March, F. H. Prescott, J. K. Ketcham, W. L. Owens, C. H. McCarter, J. Mullineaux, Jr., M. S. Moore, Carden Warner, F. A. Bender, F. A. Fussell, W. G. Smick, Carl Mintzer, A. P. Redifer, J. B. Caldwell, H. K. High, F. H. Harjes, T. B. Belfield, C. B. Humes, G. W. Yardley, A. H. Mueller, W. R. Thomas, J. B. Clothier, A. E. C. Clothier, G. W. Goodwin, James Reed, H. S. Atwood, W. A. Stanton, J. B. Bucher, S. R. McDowell, Theobald Harsch.

Officers in 1898—President, Rev. P. L. Jones; financial secretary, H. C. McCarter; secretary, Carden Warner; treasurer, Charles E. Kreamer; chief engineer, T. B. duMarais.

Active Members—Albert Miller, Richard Belfield, J. Frederick, L. H. Trotter, F. H. Harjes, Jr., George Cleas, T. B. Belfield, Francis Scottkey, T. C. Trotter, Jr., Arthur McClellan, A. P. Redifer, Charles Harrison.

The ground where the present building now stands was purchased October 20, 1898, for \$1250.

The original building was built by John K. Ketcham, of Narberth, at a cost of \$2500.

The middle addition was built by E. J. Hedden at a cost of \$4884 February 22, 1907. The officers then were: President, Rev. P. L. Jones; vice president, William Winne; financial secretary, Frank Zentmayer; treasurer, Carden Warner; secretary, E. L. Reiff; chief engineer, T. B. duMarais.

Active Members—Lewis Reiff, J. S. Ketcham, Charles Glanz, Chas. V. Noel, George B. Suplee, William Ketcham, Raymond Jones, Thomas Belcher, Edwin Wipf, A. W. Needham, George W. Suplee.

The final addition and alterations were made in April, 1928, by Charles L. Jenkins, at a cost of \$23,000. The plans and specifications were drawn by George Fleck.

The Building Committee consists of E. C. Griswold, chairman; Charles V. Noel, Daniel Leitch, Edwin P. Dold, Walter Cowin, James F. Purse, Taylor Henry, William Newborg, J. A. Miller, George B. Suplee.

The sub-contractors were: Frank Coradetti, stone, brick and cement work; John A. Miller, roofing and metal work.

Maurice J. Lacey, vapor heating; Robert Compton, plumbing; William Newborg, painting; Edward S. Haws, plastering; Walter Case, electrical work.

Foreman in charge of work, Joseph Dold.

Officers and Members in 1928—President, T. B. duMarais; vice president, Edwin P. Dold; financial secretary, Robert Mueller; secretary, James F. Purse; treasurer, George B. Suplee; chief engineer, Charles V. Noel; assistant engineers, Edwin Wipf, J. A. Miller, Taylor Henry and George Gillespie.

Trustees—Daniel Leitch, chairman; William Newborg, J. A. Miller, Taylor Henry, J. F. Purse.

Active Members—Albert Nulty, William Newborg, James Gillespie, Frank O'Brien, Vernon Fleck, Samuel Strauss, Earl Mecke, August Bailey, J. P. Shea, Richard Blessing, Lewis Cummer, Charles Ebert, George Potter, Charles H. Smith, George Gillespie, Robert Hood, George Babb, Howard Miller, Charles Young, Ernest Boulay, Vincent Cunningham, M. J. Lacey, Carl Newborg, Harry Hamer, Joseph Maguire, John Paul.

We have a day and night man who are on duty at all times. In case of a fire the alarm is given by a siren located on the iron tower on rear roof. The cornerstone was laid May 30, 1928, at 1.30 P. M., by the president, T. B. duMarais.

Our present equipment consists of one Autocar chemical and hose wagon, one American LaFrance pumper and one American LaFrance hook and ladder, all run by gasoline.

The second floor of the fire house is used by the borough council, superintendent of Public Works, Board of Health, the auditorium and rear hall on first floor are for rental purposes.

Owing to the interest Dr. A. C. Barnes, of Merion, Pa., has shown to this fire company, he was elected honorary vice president.

MOSTELLER QUILTS  
MAIN LINE LEAGUERedmond Takes Place—Only  
Four Teams Remain in  
Race.

Confirmation of reports that all is not well with the Main Line Baseball League came this week when it was learned but four of the originally scheduled teams remain in the league, and that Harry J. Mosteller, Gladwyne, has withdrawn from his post as president. Daniel L. Redmond, Berwyn, succeeds him temporarily, and Charles E. Harnden, Narberth, continues secretary-treasurer.

Bad weather conditions; and unusual interest in the Athletics' Shibe Park games, with corresponding loss of attendance at Main Line events, has caused the league and its former head to lose heart, Mr. Mosteller asserted Wednesday, when queried on his recent withdrawal.

Of nine possibilities for the league's membership this year, Paoli, Wayne, Garrett Hill, Narberth and Bala-Cynwyd have remained aloof, playing, in many instances, with independent teams outside the league. Remaining in the association are Ardmore, Berwyn, Gladwyne and Oakmont, each of which has played but three games this year.

No schedule has been made up for the second half of the season, because, league officials aver, they are waiting for another team or two to enter the fray "when they get tired of playing independent teams."

Spring Lake

Paoli, Pa.

The primary object in joining a club of this kind is that one may go there for a couple of hours in the evening for some real exercise and relaxation or enjoy a whole day in the great outdoors.

Spring Lake, because of its accessibility to the Main Line and its natural beauty, makes it irresistible. The location, combining the attractions of woods and fields, provides ideal picnic spots. The lake affords quiet, shallow water for canoeing. There is a beach for timid swimmers and beginners, and for the more advanced swimmers and divers every facility for water sports, tennis, basketball and other sports is offered. The year-round membership includes ice-skating privileges.

There is health in the great outdoors—health in its fullest sense—physical, mental, spiritual. Our late President Roosevelt said: "To be fit mentally, one must be fit physically." This exclusive little place will serve the latter purpose.

Adults, \$10.00; six to sixteen years, \$5.00. Children under twelve years of age must be attended by adults. Guest, accompanied by member, 50 cents. Special rates for families. Swimming instructions, six lessons for \$5.00.

NEW LIEUTENANT ON

Clarence A. Duke, Former Officer, Takes Higher Police Post Today.

Officer Clarence A. Duke will assume his duties today as lieutenant of the Lower Merion police, to which post he was appointed last month by the township commission. He will succeed Albert Miller, resigned, who was a lieutenant in the department since 1920.

Duke, who will be third in command, ranking in point of service below Superintendent Smith and Lieutenant Patsy Mullin, has been a member of the Lower Merion force for two years. Before coming here he served 16 years in the U. S. navy, which he quit with the rank of chief petty officer. He is married and lives in Ardmore.

Lieutenant Duke was listed for official introduction to the patrolmen and officers who will be under his command at police headquarters in Ardmore yesterday. The occasion was an order to all men to report to the township building for their new spring uniforms which were ordered some weeks ago and were distributed yesterday.

**GENERAL ELECTRIC  
Refrigerator**

When you buy an electric refrigera-  
tor, do a bit of investigating on your  
own. Look under the cabinet, look  
carefully inside it, and, above all things,  
listen to it.

When you look under the cabinet  
do you find moving parts of machin-  
ery or no machinery at all? In the  
General Electric Refrigerator, you'll  
notice at once that all the models  
are up-on-legs. This means an easy  
job cleaning under them. And it also  
means that all the machinery is safe-  
ly sealed away in the air-tight steel

casing which you see mounted on the  
top of the cabinet.

Look inside. Is there really ample  
food space? You will find in the  
General Electric Refrigerator that the  
chilling chamber is amazingly com-  
pact. It actually takes little more  
space than the trays in which your  
ice is frozen.

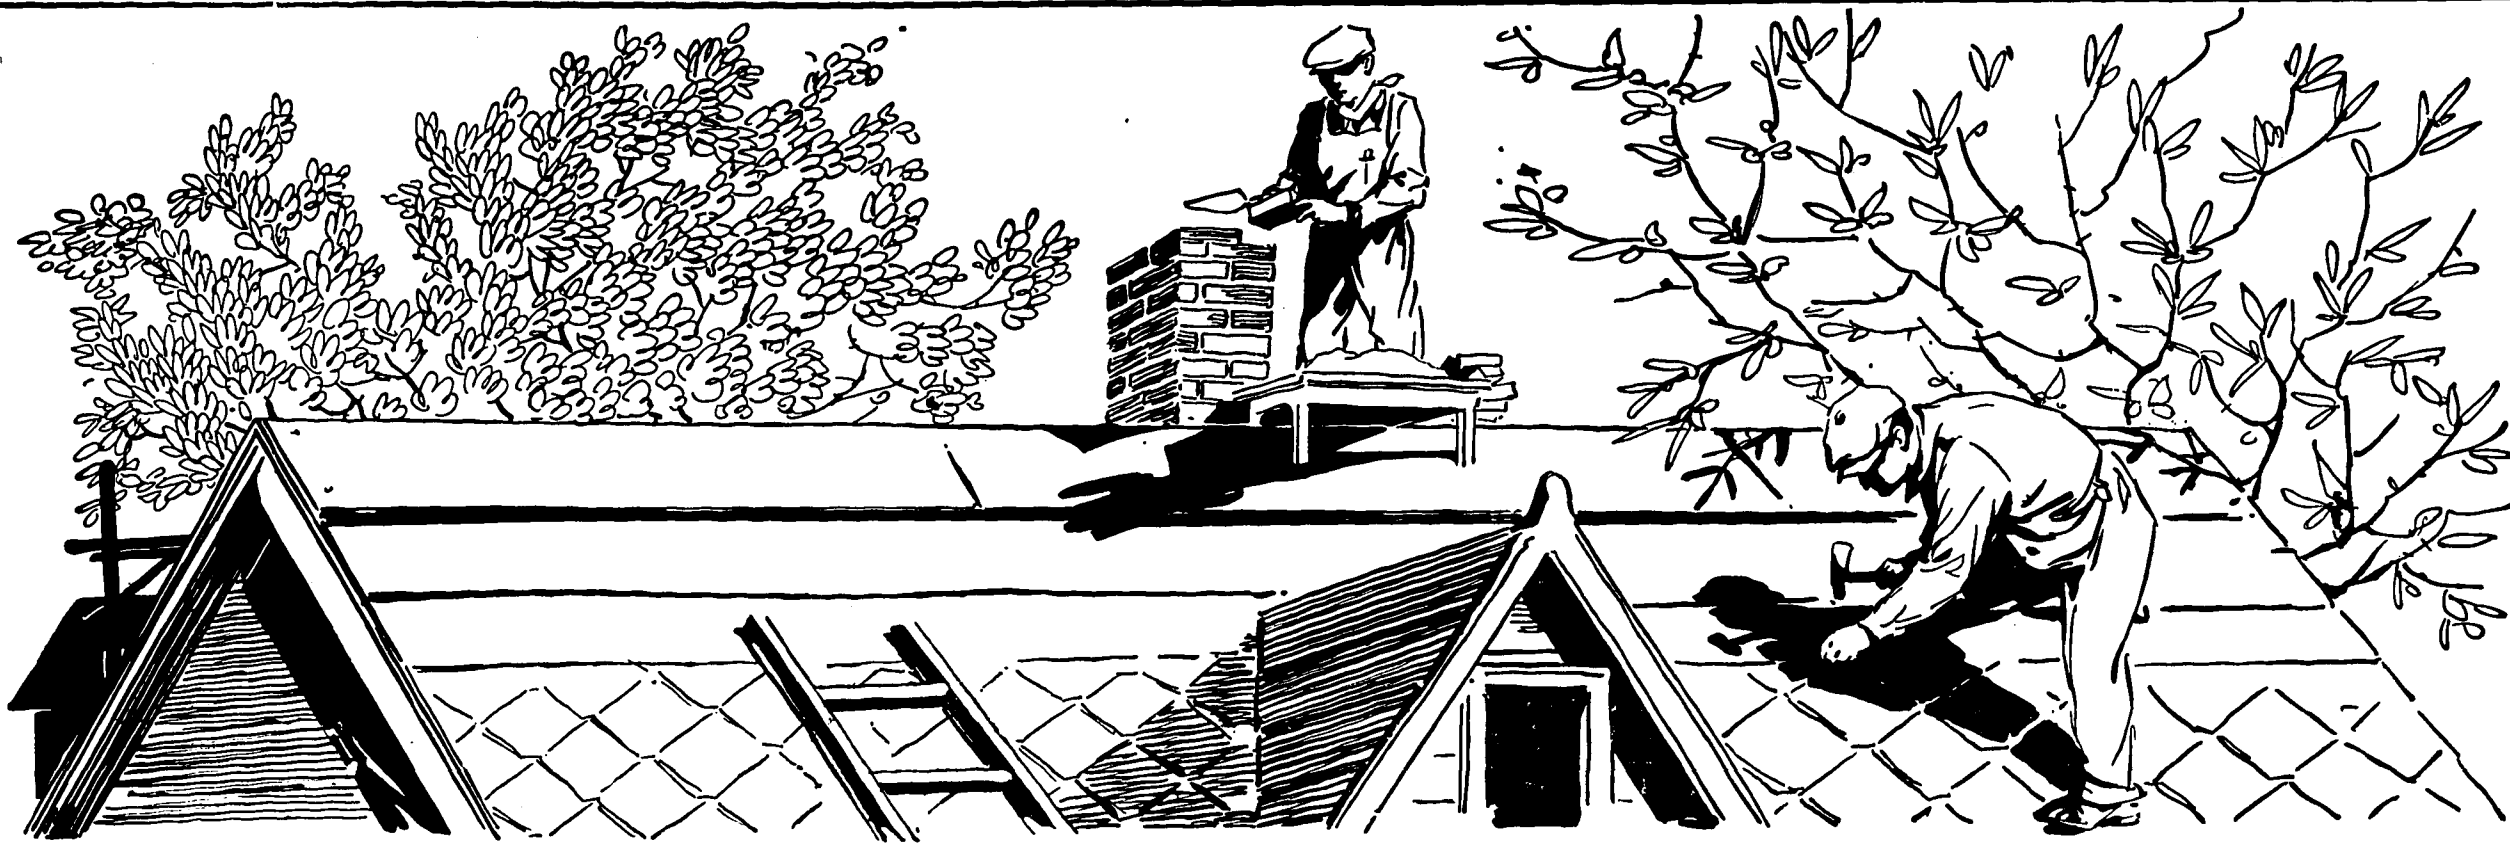

Then listen. This you must do. We  
want you to judge for yourself the  
quietness of this remarkable refrigera-  
tor. Come in today. Time payments  
can be arranged, if you wish.

## Narberth Baseball Team Wins Two Out of Last Three Games

Westphilco Defeated 8-6 Last Saturday in Loose Game.

MULLIGAN WAS STAR

Narberth won from West Philco 8-6 on Saturday, May 26, in a game before 300 people. Both pitchers were liberal in allowing a considerable number of hits and balls and showed no particular form. Hampshire, Narberth catcher, was put out of the game in the last inning for razzing the umpire and was replaced by Bill Durbin. John Mulligan, a product of Lower Merion High, played an excellent game and shows signs of becoming a star. A detailed account of the play and the box score follows:

McMonagle started with a single followed by Mulligan's walk and Durbin's single. Hampshire singled hitting in McMonagle.

Sykes, Cunningham and Kirchner struck out.

Davis and Graham singled; later brought in by Master's triple. McGuire is put on first and Mulligan flies to shortstop.

Silver and Williams were quickly put out and Kushner singled with a long drive to left field. Osteneck walked followed by Murphy's fly to Gilfillan.

Durbin singled when the third baseman fumbled. Hampshire sacrificed to second base and Davis singled to right field. Durbin steals third followed by Graham's strike-out.

Frankle walks. Sykes strikes at a fast ball and Frankle steals home. Sykes steals to third as Cunningham is put out on a bunt. Kurshner walks. Sykes comes home when Davis errs.

Williams singles and Kirchner reaches third. Kurshner comes home as pitcher fumbles. Williams steals to second. Kurshner strikes out.

Masters singles to centerfield. McGuire singles and Masters is put out on fielder's choice. McGuire steals to second as catcher errs again. McMonagle gets a two-base hit on Sykes' fumble. Master and McGuire score on Gilfillan's triple. Mulligan flies to center field. Durbin hits to right field who fumbles the ball and then advances to second as the first baseman receives a wild throw from Murphy. Silver, West Philco's second-hand pitcher, is thrown from the box; replaced by Murphy, outfielder. Greenfield plays center field. The inning ends as Davis flies to right field.

West Philco is quickly retired as Osteneck, Murphy and Frankle strike out.

Graham is put out on first as Williams makes the most brilliant play of the game. McMonagle, Gilfillan and McGuire are quickly put out in one of the shortest innings of the game.

Osteneck walks. Murphy singles on long drive to left field. Frankle doubles on long hit to left field, bringing in Murphy. Sykes walks. Cunningham hits to left field and Sykes reaches third. Kirchner doubles; Greenfield singles and Sykes is caught stealing home.

### GET LICENSES

Marriage licenses were granted at Norristown Monday to Carl Heath Koff, clergyman, Boston, Mass., and Mary Fitz Randolph Chalfont, teacher, of Narberth; to Edwin G. Fox, Wynnewood; and Margaret Tattall, Ardmore, and to Anthony C. Mismmer, physician, and Mary J. Urichek, nurse, both of Ardmore.

Club Splits Even Memorial Day with Merrill Professionals.

COME BACK STRONG

Narberth split even in the twin bill on Memorial Day with the Merrill Professionals. The morning game went to the visitors by a 9 to 5 score while the home team came back strong to cop the afternoon fray, 10 to 3. The Merrill team hit Babo freely in the first game, collecting 18 hits while the best Narberth could muster was half of that number.

The afternoon game saw Narberth in championship form outplay the visitors from all angles. Vogel, pitching for Narberth, allowed nine hits, but kept them well scattered. Loughran, brother of the light heavyweight champion, on the mound for Merrill, was not so fortunate. Heavy hitting featured the second game, Yowell and McMonagle making three triples each, and Gilfillan, Vogel and Hampshire each collecting a pair of doubles.

Both games were attended by approximately 600 people.

\$1,600,000 Participating Stock  
Insurance Companies Formed

Owned Outright by Keystone Automobile Club

TODAY Insurance Exchange of Keystone Automobile Club is succeeded by two strong participating stock companies—fulfilling the ambitions of its founders.

TODAY Keystone Automobile Club Casualty Company and Keystone Automobile Club Fire Company, organized and licensed under the laws of the State of Pennsylvania, are ready to issue policies to members of Keystone Automobile Club and affiliated organizations covering every automobile hazard.

These new companies, which completely reinsure the liabilities of Insurance Exchange of Keystone Automobile Club, start with combined assets of over \$1,600,000.

Assessments Are Absolutely Impossible! Restrictive laws in certain states against reciprocal insurance do not apply to these companies because of their stock form. The formation of these participating stock companies was made possible and advisable by the phenomenal success of the Insurance Exchange.

Three years ago INSURANCE AT COST for members of Keystone Automobile Club was an idea and an ideal. Since then it has been an accomplished fact, and so successful that we are able to materially strengthen our assets, increase the protection to policyholders and eliminate all possibility of assessment. All of the capital stock in these new companies is owned outright by Keystone Automobile Club.

This unique insurance-at-cost plan has resulted in tremendous savings to our policy holders—never less than 32 1/2%. And so today we are able to take another tremendous stride forward—a stride as great as the one we took when we first organized Insurance Exchange. The same insurance-at-cost plan will continue, with its strength augmented by materially increased resources. We invite you to participate in our success—to investigate the advantages of INSURANCE AT COST.

J. BORTON WEEKS, President

Keystone Automobile Club Insurance is Now More  
Valuable than Ever Before—But Costs No More!

More than 27,000 of our 46,000 members have taken advantage of the Keystone Automobile Club Insurance-AT-COST plan—saving in the aggregate more than half a million dollars annually. . . . When the policy is written you are charged 10% less than the usual rates. At the end of the policy year a further saving in the form of a dividend is returned. This has never been less than 25% of the premium.

That means our policyholders have saved \$32.50 out of every \$100.00 spent for insurance. And this saving has been accompanied by the highest standards of service. . . . Wouldn't you like to save on Insurance as only members of Keystone Automobile Club and its affiliated clubs can save? Send the coupon below and let us tell you in dollars and cents how much less it will cost you to insure with us.
